Please join us as we hold a MALE ONLY workshop with a sex therapist, Jackson Sousa. Cancer and cancer treatments have both direct and indirect effects on physiological, psychological, and interpersonal factors that can all impact sexual function and satisfaction. This workshop details the pathophysiologic and psychological impacts of cancer diagnosis and treatment on sexual function, plus recommendations for their prevention and management.

Jackson Sousa is a licensed marriage and family therapist. Jackson's practice focuses on treating couples, families, sexual addiction and other process addiction disorders in a safe, respectful and confidential setting. In addition to his private practice, Jackson teaches classes on psychopharmacology, process addictions, sexuality, and gender at Santa Barbara City College and California Lutheran University's Graduate Psychology Department. Please RSVP 805.379.4777.

**Reminder!** We are a fragrance free environment, please refrain from wearing perfume/ scented lotion.
