

Dear Cancer Support Community partners and supporters,

Happy New Year! I'm reaching out to you today to let you know that my wife, Barbara, and I have decided to relocate to New England in 2020. Because of this personal decision, the CSC Board of Directors and staff have been informed that I will be leaving the Executive Director role earlier than originally anticipated. Currently, I'm working closely with the Board to begin a search for my successor and I will remain leading CSC through May unless the right individual joins us earlier. I intend to provide my full support and guidance to ensure a smooth handover to my successor.

Cancer Support Community Valley/Ventura/Santa Barbara has a very important mission in our community and I thoroughly enjoy working with the CSC team. I appreciate the support you have provided us, particularly over the past year, in order to put CSC on a sustainable path. CSC begins 2020 with a strong team, a focused and active Board, and a clear mission of support for people dealing with the challenges of a cancer diagnosis.

I ask for your continued support to this valuable organization so that no one faces cancer alone.

Best Regards,

Steve Dwyer
Executive Director
Cancer Support Community Valley/Ventura/Santa Barbara
