

# Join our Legacy of Hope

Our mission is to ensure that adults, children, and teens impacted by cancer are empowered by knowledge, strengthened by action, and supported by our community.

Cancer Support Community Valley/Ventura/Santa Barbara (CSC-VVSB) is a nonprofit organization that relies on the generosity of individual, foundation, and corporate giving. CSC-VVSB serves more than 3,000 adults, children, and teens affected by cancer each year with programs throughout Ventura and Santa Barbara Counties, and the San Fernando Valley. Programs are offered in English and Spanish and are all provided free of charge.

By putting a gift in your estate plans for CSC-VVSB, you can ensure that no one affected by cancer will have to go through it alone. CSC-VVSB provides hope and emotional support with warmth and love, so they can keep on living their life and feeling supported all the way through.

As a Legacy of Hope member, you will be invited to attend special workshops and events, and you will be recognized in our newsletter, annual report, and on CSC-VVSB's donation wall.
